

Introducing the **DEKA SHIELD**

Our exclusive Deka Shield program gives you peace of mind and exclusive additional warranty protection for your Deka batteries. This benefit is just one offering of Deka Services, the North American service network operated by East Penn.

Exclusive **DEKA SHIELD**

Deka Shield is an innovative and exclusive program to provide optimum battery performance and life to your Deka Batteries no matter the application: Telecom, UPS, or Switchgear. By allowing Deka Services to install and maintain your batteries, your site will receive extended warranty benefits.

How do I sign up for the Deka Shield program?

- ▶ *Installation must be completed by Deka Services or a Deka Services approved certified installer*
- ▶ *The application and installation area must be approved by Deka Services prior to installation*
- ▶ *Access for Deka Services to perform annual maintenance during the full warranty period*

What coverage does the Deka Shield program provide?*

- ▶ *Full coverage labor to replace any defective product*
- ▶ *Full labor to prepare any defective product for shipment*
- ▶ *Freight allowance for new product to installation site*
- ▶ *Full return freight for defective product*
- ▶ *Extended warranty*

* Terms and conditions apply – please contact us for additional information.

Extensive **DEKA SERVICES**
